FAQs

Q: Can I use my tablet or phone to join the conference?
A: It is possible, but the usage of the conference is limited.

Q: What if I do not have Flash Player on my computer?
A: For the best performance, Flash is highly recommended. You can download it here https://get.adobe.com/cz/flashplayer/. If you do not want to install it, use the HTML5 viewer (not all functions are available).

Q: How can I get the access link?
A: The conference moderator will share it with you. You can also access the conference directly from your course.

Q: What if I miss the session?
A: The recordings are stored in the online course folder. The moderator chooses which part of the session will be recorded.

Q: How do you handle my personal data?
A: The information about the visited session(s) stays on Language Hub servers. If any of the participants does not agree with the session recording, it won’t be available to anyone.

Q: Is it the paid service?
A: Online session is a lesson like another.
